**Company:** Landform Professional Services, LLC  
**Job Title:** **Entry Level E.I.T.**  
**Job Location:** Downtown Minneapolis

Landform is a multi-disciplinary consulting firm based in Minneapolis. We offer a full range of site design, planning and civil engineering services backed with over 20 years as an organization. Our professional resources include landscape architects, planners, civil engineers, land surveyors and development managers. We are committed to client service, design quality, principles of sustainability and an innovative approach to site design.

Our culture is based on our vision to grow and diversify while emphasizing quality design, strong client partnerships and an energetic employee environment. We value quality, relationships, mentorship, leadership and enthusiasm in our work. We achieve our mission by helping our public and private sector clients create successful memorable, SensiblyGreen® places. Our employees are our #1 asset and finding the best fit for all is our priority.

We are looking for a Designer to join our Residential Design Studio. The responsibilities will encompass a full range of design services for major projects and clients.

Duties include all aspects of site design including, preparation of site plans, grading, drainage, erosion control plans, utility plans and coordination with other disciplines. You will be expected to work directly with clients, consultants and contractors.

### **Design Responsibilities:**

- Site Analysis, Selection & Feasibility Studies
- Site Design & Theming
- Building Siting & Parking Design
- Stormwater Management
- Erosion & Sediment Control
- Grading Design, Utility/Infrastructure Design
- Earthwork Analysis
- Sustainable Design
- Traffic Circulation Analysis
- EAW, AUAR, EIS, ISP Review/Preparation
- Site Illumination Analysis
- Construction Observation
- Any similar tasks which would typically be performed at a site design firm

**Qualifications/Requirements:**

- Zero to four years of experience in production
- Requires a BS or BA degree
- Ability to follow instructions & take initiative/self-motivated
- Good verbal and written communication skills
- Positive and professional attitude
- Consistent and accurate work product
- Strong work ethic
- Strong Interpersonal, leadership and motivational skills.
- Understanding of AutoCAD
- Experience with Civil 3D a plus

**Full-Time/Part-Time/Hours:** Full-Time with a flexible work environment (work life balance).

**Salary:** DOQ

**Benefits:** Health, dental, life, disability, PTO, 401K Employer contribution, transportation allowance, Fun and relaxing atmosphere

**Number of Openings:** 1

**Advancement Potential:** Promotions are based on your proven ability to master tasks.

**Training Available:** Our focus on developing strong teams through hands on training in real world situations contributes to our successful growth.
